BODY

Aroma body by Josiane Laure

JOSIANE LAURE, a French naturalism brand with 50 years of tradition by Madame Laure, one of the world's top 3 aroma therapists.

Even as a child, she knew her future lay in plants, and the idea of sharing the beauty and power of flowers with women took root in Josiane Laure's mind very early on.

She has developed a new organic and entirely natural range dedicated to body care.

'Laure's Essentials' products, leads to spectacular results as part of a body treatment session.

Please be sure to wipe off the oil with a hot towel after the treatment.

If you are breastfeeding, do not give breast milk to your baby for 48 hours.
